**VERSE 1:**

A  
What could stand before You,  
F#m  
As You chose to embrace,  
D E  
A cross so undeserved You took for  
me,  
A  
The weight of sin upon You,  
F#m  
When You offered Your life,  
D E  
As You walked the streets of men,  
with fading strength,  
D  
How could we live,

But not see,  
D  
Your sacrifice,  
E  
Your glory

**CHORUS:**

D A E  
You reign, You reign,

Over everything Lord You reign

**VERSE 2:**

What was your last thought,  
As You drew your last breath,  
Where the victory was  
Yours for us to see, ,

every praise to You alone,  
How could we live,  
But not see, Your sacrifice,  
Your glory
